

Introducing LinkedIn Talent Insights for Nonprofits

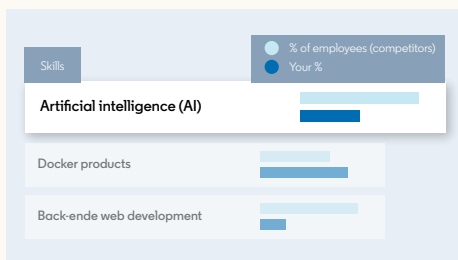

Make every investment in talent count with LinkedIn Talent Insights. Whether you're looking to speed up your hiring process or develop a workforce strategy that supports your nonprofit's future, LinkedIn Talent Insights gives you the information you need to make the right decisions.

Plan effectively and hire confidently with LinkedIn Talent Insights

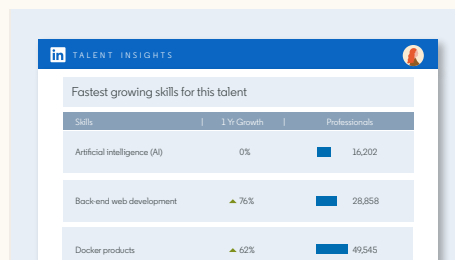

See where your skills gaps lie

Learn what skills your organization needs today—and what you'll need to hire or train for in the future.

Assess supply and demand

Understand what the market looks like before you begin your search, so you can plan accordingly.

Leverage a talent intelligence platform that gives you access to...

Real-time information

about talent supply and demand, employer brand metrics, and more

12 billion + data points

on talent, organizations, jobs, skills, and schools

A 360-degree view

of your organization, the nonprofit sector, and the talent market as a whole

Spot untapped talent pools

Discover areas with an abundance of the talent you need and target candidates in those locations.

Improve headcount planning

Gain a deeper understanding of risks and opportunities for your nonprofit, based on factors like attrition trends.

Get more from LinkedIn Talent Insights

Benchmarking Data

See where your organization stands compared to others in your sector.

Downloadable Reports

Share insights with leaders and stakeholders to build credibility and achieve buy-in.

Learning Resources

Make the most of the platform with on-demand tutorials, tip sheets, and videos.

“It really helps us to uncover the ideal role for [the people we serve]. We use LinkedIn Talent Insights to understand which companies are hiring and what skills we need to train, allowing us to map our training to demand.”

Shelton Banks, CEO
